Subject: Re: March 7th call information and proposed agenda

Hi Mike,

The agenda looks fine with one minor tweak. We think the actual to potential is an item of itself with 110(l) as one component.

We think we need to talk about options for meeting actual to potential.

110(l) from our view applies to the whole reclaim to non-reclaim transition. So maybe we need to talk that through as an item on its own.

Talk to you at 1pm
